

IOPD Questions and Answers:

Q. Why is the Club going over to IOPD?

A. The IOPD is a professionally run organisation who already cover WOR, and Fast Eddy events. They offer a better value service than currently available from the ACU.

<http://www.iopd.org.uk/>

Q. We already do ACU events so will need 2 licences.

A. The IOPD licence is only £15 per year (against £43 ACU), out of that £5 goes into the Mercian Dirt Rider club to allow them to continue the high level of service that they already give.

If you regularly ride for other local clubs, some of these will take IOPD.

If you do only a handful of ACU events, consider using a 1 day licence @£10 per time.

IOPD one day licence is only £5 per event giving better value for occasional riders.

Q. The AU has a better level of insurance for Riders.

A. Not the case, ACU Insurance doesn't cover riders if they have accidents. Both entities require insurance for 3rd parties, spectators and marshals. Doodsons are the suppliers for ACU and Mercian Dirt riders.

Individual Accident insurance is available from Doodsons;
